How do I use Aplia?

1. To get started, navigate to: login.cengagebrain.com
How do I use Aplia?

If you’ve previously created a Cengage Learning Single Sign-On (SSO) before, sign in with your account information.

CengageBrain accepts prior SSO login credentials, as well as Aplia and iChapters login credentials. If you have an existing login, there is no need to create a new one.
How do I use Aplia?

If this is your first time using Aplia or any Cengage product, you’ll need to create a new account.
How do I use Aplia?

2. Now you’ll need to enter your Aplia Course Key, which is provided by your instructor.

If you create a new account, you will immediately be able to enter your Course Key.

If you sign into your existing account, you can enter the Course Key on the right side of your home page.
How do I use Aplia?

3. Confirm your course information, and click “Continue” to continue your registration.
How do I use Aplia?

4. If you are a new user, complete all fields in the registration form, and click “Continue.”
How do I use Aplia?

You can now access your Aplia course by clicking on the open button next to the course.
